Building it
**BETTER
TOGETHER**

Let's see what we'll build in the new year

At WesTel Systems, we do more than build fiber networks. We help build relationships, communities, opportunities, and quality of life. However, we don't do this important work alone. We do it in partnership with all of you, our loyal customers.

Communications technology is all about connections. Our wish for the year ahead is that our local connections grow even stronger.

HAPPY NEW YEAR!
Our office will be closed for the holiday on January 1.
