FFA

Fundraising

By: MMCRU Alyssa Harper and Autumn Sanow

The MMCRU FFA is selling fruit, nuts, cheese, meats, and coffee grounds for a fundraiser. They are raising money that will go towards any possible expense that they might have. The sale began on October 2nd and will be available until November 8th. This is a yearly occurrence and the students have lots of success with this sale. When Mrs. Brady was asked, their goal this year is to raise \$5,000. If you are interested in purchasing items from this fundraiser, reach out to a local FFA member.

Heep of the Week

By: MMCRU Brody Jackson and Noah Hart

This week Kezden Steffen was interviewed about his vehicle, 2014 Chevy Malibu. He has updated from his recent 2006 Pontiac Grand Am. Steffen received his car from his older brother Kam Steffen. Steffen's favorite part about his car is the seats. Steffen said, "They are more comfortable than my old car and I enjoy a new clean car." Steffen likes to ride with friends in his free time whenever he can and listen to music. We asked Steffen which vehicle he liked the most and he admitted that he would rather have his old car.
