

We Wear Pink for Mrs. Kendra Knapp

By MMCPU Patience Nissen-Teepe and Autumn Sanow

On December 4th, the MMCPU students and staff were asked to wear pink for one of our teachers, Mrs. Kendra Knapp. Knapp

was diagnosed with breast/lung cancer in early September of this year. She had a very unusual case, which stumped all of her doctors. They decided she would undergo a lower leftlobe lung wedge

resection surgery to remove her tumor at Mayo Clinic. After surgery and recovering for 3 weeks, Knapp returned to school. To welcome her back to school, the students and staff showed their

support by wearing their #teamKendra shirts or pink to school on Wednesday. Knapp was appreciatively overwhelmed by the amount of love and support from her MMCPU family. She stated that she felt incredibly blessed to be part of such an amazing school and community.

MMCRU Pep Band For Basketball Season

By MMCPU Haydn Aduddell
MMCRU is now preparing to deliver its first performance for the basketball pep band program. Band members have been practicing these songs for weeks in anticipation of the upcoming shows. Performances will take place during basketball games held at both of MMCPU's home game venues. Songs will be played before the girls varsity basketball game, during the halftime of said game, and during the transition between the games. After talking to Ms. Emma Davis, she shared that she has hope for the band to continue improving in their craft as the years go by, and that the music they play rises in both complexity and quality of performance."

Rockie Bork Gymnasium Dedication

By MMCPU Brooklyn Miller and Raegan Hill
On Monday, December 1st, the MMCPU girls and boys both had a basketball game against HLP. After the girls game, there was a big announcement. We willingly named the Remsen School Gym after Rockie Bork. Bork has done so much for our school and community for many years. To say he deserves this is an understatement. Bork has spent countless hours in the gym making sure everyone who was on his team was getting the best coaching anyone could ask for. This was only right to put his name on the title of the gymnasium. Thank you for everything, Rockie Bork!

Cultural Interaction Day

By MMCPU Autumn Sanow
The MMCPU High School students were welcomed into a cultural interaction with their peers. During Royal Time we were given the opportunity to watch "A Charlie Brown Christmas" all together. Some of the staff took time out of their day to pop popcorn for all students that wanted any. Everyone thoroughly enjoyed this activity. This was a great opportunity for us to all do together.
