## Community Service Day

By MMCRU Communications

Community service day was on Wednesday April, 9th. MMCRU High School was assigned different places to attend throughout the community and help with yard work, clean up, and other tasks. Students were required to work from 8:30 until 12:15, and then return to school for prizes that determined the hardest workers. After a long morning of work, students were dismissed early. We are happy and thankful that we are able to help our community members and businesses, and look forward to doing it again next year.

## Question of the Week

By MMCRU Tessa Weiler

This week I asked students and teachers in the MMCRU High School, "Are you afraid of zombies?" Carter Astidias (Jr.) shared that he is not afraid of zombies. Xander Tentinger (Sr.) said, "Yes, but I have never seen one!" Mr. Youde claims that he is not afraid of zombies, and he is faster than all of them. Mick Schnepf (Fr.) said, "Yes, because they are scary!" Finally, Mr. Schuttler claims that he is terrified of zombies because they are not normal.
