## Teacher Interview:

By MMCRU Communications

Mr. Derrick Marra is the business teacher at MMCRU High School. Marra said his favorite homecoming dress up day this school year is Decade Day. He really liked seeing everyone in their different decade outfits. His favorite thing about MMCRU is that he gets to teach and coach really good kids. Marra said his favorite things to do outside of school are play golf, go fishing, and watch a lot of tiktok. Marra's favorite vacation is an all-inclusive resort in Cabo. He went to a really beautiful golf course.

## Feed the Farmer

By MMCRU Communications

The MMCRU FFA has the annual Feed the Farmer coming up at the beginning of October. At this event, we make bags with hamburgers and some other snacks. When the tractors come to drop their crops at our local elevators, they can get a bag of food for their crew to take back to the other people in the field. The FFA members will assemble the bags and prepare the burgers. The farmers are also able to call Sarah Brady to order some ahead of time if they have a lot to pick up. They will be at the Remsen Farmers Co-op on October 4th from 11 am-1 pm and AgState in Marcus on October 11th from 11 am-1 pm.
