## MMCRU School Lunches

By MMCRU Communications

This week we asked students from every grade what their top 4 favorite lunches were, including their least favorite. The most popular answer throughout high school was orange chicken, for second place we had a tie between the crispy chicken wrap and the pizza. The other answers were crispitos, cheeseburgers, mr. rib, spaghetti, chicken and waffles, as well as the chicken patty sandwiches which was a popular answer. The worst rated lunches served at MMCRU high school were the cavatini baked pasta dish, salisbury steak, and overall the hotdogs as the worst rated meal. Hotdogs are a very popular meal served quite often in our school even though it's the worst rated meal, if the school served hotdogs less frequently they might get a higher rating!
