MMCru Career Fair

By MMCru Communications

MMCru High School put on their first ever career fair. Students were split into groups based on grade and got to speak with many different businesses and college representatives. Students were also able to listen to different speakers that offered information on scholarships, ACT prep, financial education, interviews, and much more. The school held the career fair in the gym. Many businesses and corporations had tables that were set up for students to visit and ask questions to the different representatives. This provided students with many opportunities to explore and learn about diverse careers.

Sophomore Career Day

By MMCru Communications

The MMCru sophomores have been given the opportunity to attend the O'Brien County Career Day. They will be taking tours of many different businesses with the end goal of having a better understanding of what they want to do in their futures. Students have filled out a form to describe their interests which will help administrators place them in a group best-fit for them. The sophomores are looking forward to this event with the hope of finding out what they are interested in doing in their future.

MMCru Boys Basketball

By MMCru Communications

The MMCru Royals boys basketball team has qualified for state! They won their sub-state game on Saturday where they played North Union at a neutral site, Storm Lake. The game started off slow for the Royals, but in the second half they came out strong. They ended up with a 56-42 win. They will now play in the state tournament in Des Moines, first round will be on Tuesday. MMCru now has no school that day to ensure everyone has the opportunity to go support the boys!

SENIOR SPOTLIGHTS

Hannah
Nissen-Teepe

By MMCru Communications

Hannah Nissen-Teepe is a senior at MMCru High School. Following graduation she plans to attend Iowa Lakes where she will study to become a Vet Tech. Her favorite memory from high school is when she went to the national convention for FFA during her senior year. Nissen-Teepe shared that the best way to study for finals is to ask questions when you don't understand something. She has been a great student at MMCru and will be missed!

Lana Florine

By MMCru Communications

Lana Florine is a senior at MMCru High School. Following graduation, Florine plans to attend college. One memory that she will never forget from high school is being on Homecoming Court. Florine's biggest accomplishment throughout high school is developing into a good student. Advice Florine gave was to "Do your homework." She has been a great student at MMCru, and will continue to be great in college.
